Charity Walk - August

Hi, my name is Elton Moore, and this August I will be walking 200 miles from Caistor to Hadrian's Wall.

This journey is dedicated to raising awareness and support for those who work tirelessly in care homes, as well as the residents they faithfully care for each day.

If you would like more information about my services or wish to support this cause, please feel free to get in touch.

Wishing you a wonderful day. God bless.
